

bisection.h

```
graph BT; DC[DiffusionCoefficient.cpp] --> BH[bisection.h]; B[bisection.cpp] --> BH
```

A diagram illustrating file dependencies. At the top is a gray box labeled 'bisection.h'. Below it are two white boxes: 'DiffusionCoefficient.cpp' on the left and 'bisection.cpp' on the right. Blue arrows point from each of these bottom boxes up to the 'bisection.h' box, indicating that both source files include the header file.

DiffusionCoefficient.cpp

bisection.cpp
