

`Matrix3D< double >`

`ParamStructure::PSD`

`PSD_parameters`

`PSD`

```
graph BT; PSD[PSD] --> Matrix3D[Matrix3D< double >]; PSD -.-> ParamStructure[ParamStructure::PSD];
```

The diagram illustrates the relationships between three components. At the bottom center is a gray rectangular box labeled `PSD`. A solid dark blue arrow points from the top of the `PSD` box to the bottom of the `Matrix3D< double >` box, which is located at the top left. A dashed purple arrow points from the top of the `PSD` box to the bottom of the `ParamStructure::PSD` box, which is located at the top right. The label `PSD_parameters` is positioned to the right of the dashed arrow, indicating the parameter being passed.
